### ***Delta Dental Statement on Impact of Supreme Court Ruling On Affordable Care Act***

STEVENS POINT, Wis., June 28, 2012 – The Delta Dental Plans Association, on behalf of Delta Dental of Wisconsin, has issued the following statement regarding today’s complex Supreme Court ruling on the Affordable Care Act:

“The Court’s ruling means that by the year 2014 individuals and employees of small businesses will have new opportunities to shop for medical and dental benefits on state and federally-facilitated exchanges. As the nation’s largest provider of dental benefits, Delta Dental urges exchange developers to protect consumers’ rights to keep their own dentist, to keep their current dental coverage and to comparatively shop for all of their dental-benefit options.

“As Affordable Care Act implementation moves forward at the federal and state levels, Delta Dental remains committed to its mission of improving the oral health of all Americans. We will continue to pursue this mission by providing affordable benefit plans and through our community-benefit programs that bring free care and education to millions each year.”
