

More plan designs give you options.

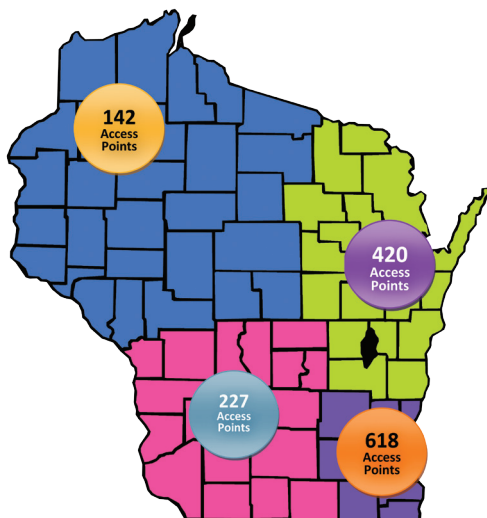

- Choose any combination of benefit, copay, frequency, contribution, and rate structure. Or choose from among the most popular pre-selected plan designs.
- Select from two comprehensive plans:
 - A-level plans include exam with covered contact lens fit and follow-up.
 - H-level plans include exam with fixed member cost for contact lens fit and follow-up.
- In addition, we offer materials-only plans and multiple funding options.

Choose a network to fit your needs.

DeltaVision utilizes two large networks, Access and Select, each with more than 1,300 provider locations in Wisconsin and more than 30,000 nationally.

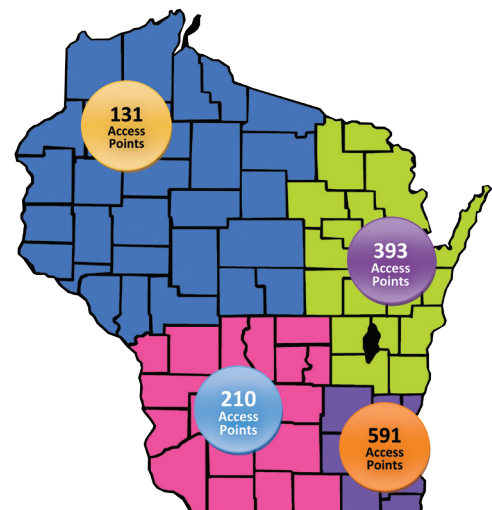

- Both networks include popular optical retailers and independent practitioners.
- Use our vision directory or find providers fast at www.deltadentalwi.com/visionproviders.

ACCESS

The EyeMed Access network is the largest provider network for DeltaVision®, offering groups and subscribers the widest freedom of choice.

SELECT

The EyeMed Select network provides a network alternative for groups and subscribers looking for an optimum combination of cost savings and provider choice.

Take advantage of the savings.

- Employees buying just one pair of glasses can significantly reduce out-of-pocket costs with DeltaVision®(see chart below).
- Pair DeltaVision® with a Delta Dental of Wisconsin dental plan and receive a 3 percent discount on the vision rate. Then combine your dental and vision billing for one convenient monthly bill.
- Additional in-network savings apply for items purchased after the funded benefit is used and on items not covered by the plan (like accessories and fashion eyewear). Save more by buying replacement contacts at eyemedcontacts.com.

Type of Service/Materials	Average Retail Cost	DeltaVision® Covers	Member Out-of-Pocket Cost
Exams	\$89	\$89	\$0
Frames (\$130 allowance)	\$130	\$130	\$0
Spectacle Lenses			
Single Vision	\$67	\$67	\$0
Lens Options			
UV Coating	\$21	\$10	\$11
Standard Scratch Resistance	\$23	\$10	\$13
Anti-Reflective Coating	\$66	\$25	\$41
Total	\$396	\$331	\$65

"DeltaVision® Covers" and "Member Out-of-Pocket Cost" amounts are based on a \$130 frame allowance and \$0 exam/standard plastic lens copayment plan. Other plan options may produce different out-of-pocket amounts.

Quoting made easy!

Licensed agents can quote DeltaVision online for groups up to 500 lives at www.deltadentalwi.com. For groups of more than 500 lives, fully-insured nonstandard plans and self-insured plans are also available. Contact a Delta Dental of Wisconsin sales representative for more details. **Call 800-236-3713 or email sales@deltadentalwi.com.**
