

Finding a Network Dentist

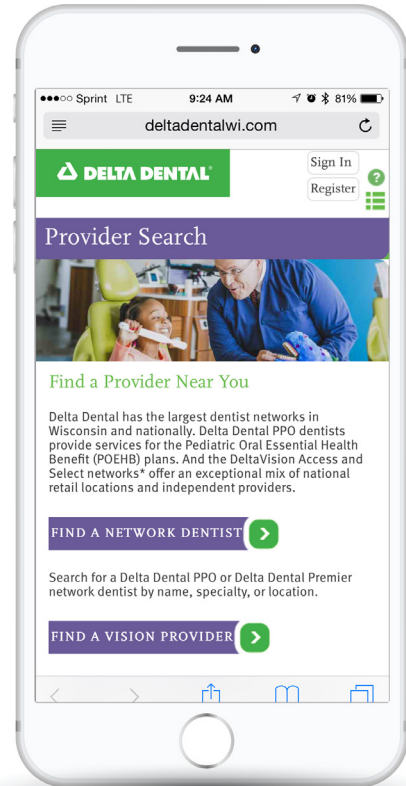

A simple search tool to help make you smile.

At Delta Dental of Wisconsin, our dentist directories are accessible online, via our mobile app, and by phone.

Delta Dental has more than 145,000 participating dentists in our networks across the United States. More than three-fourths of U.S. dentists belong to a Delta Dental network.

on the web

- Go to www.deltadentalwi.com and select “Find A Network Dentist” from the “Provider Search” tab. Enter your city and state, or ZIP code. Additional search criteria allows you to search for dentists by their last name or practice name, and ZIP code.
- Dentist listings will appear, with network affiliation (Delta Dental PPO or Delta Dental Premier) noted. You can then narrow your search to Delta Dental PPO or Delta Dental Premier network dentists only, and narrow or broaden your search radius.
- You can also refine your search by specialty, gender, language spoken, and hours of operation.
- Your search results can be sorted by distance, name, city, or zip code. This list can be printed, emailed, or saved as a PDF.

by phone

From a touch-tone phone, call **800-236-3712** and follow the automated instructions. Participating dentists are searched by ZIP code.
