

Delta Dental Mobile App

Helping subscribers
manage their oral health.

We've designed our mobile app to make it easy for your employees to get the most out of their dental benefits. Subscribers have access to dentist search, claims and coverage, ID cards, and more - right on their mobile device.

getting started

Delta Dental's mobile app is optimized for iOS (Apple) and Android devices. To download our app on your device, visit the App Store (Apple) or Google Play (Android) and search for Delta Dental. Or, scan the QR code at right. An internet connection is needed to download and use most features of our free app.

THE DELTA DENTAL
MOBILE APP

mobile app features

- View ID Cards, or save to their device.
- Claims and coverage information on the go, putting benefits information right at subscribers' fingertips.
- A dentist search tool that helps subscribers quickly select an in-network provider nearby.
- Our easy-to-use Dental Care Cost Estimator tool provides estimated cost ranges for common dental procedures. (Not available in all geographic areas.)
- Our toothbrush timer motivates users to brush for the recommended two minutes.
