

Have questions?

We've got answers for you.

Q: Do I have to change my dentist?

A: No. Most likely, your dentist belongs to one of our two networks – 90 percent of the state's dentists do. See if your dentist belongs by visiting www.deltadentalwi.com/provider-search/dental and searching on location or dentist name. Though you receive significant savings if your dentist belongs to one of our networks, you may still see your dentist even if he or she does not.

Q: How do I contact a Benefit Advisor?

A: Call our enrollment hotline at 1-888-860-3510 between 7:30 a.m. and 5 p.m. Central Time, and one of our highly skilled Benefit Advisors will answer.

Q: When will I receive my benefit (ID) card?

A: We try to mail benefit cards within a week of receiving enrollment paperwork (but the card is not required to receive benefits).

Q: Are there any waiting periods?

A: Unless otherwise specified, there are no waiting periods before you can obtain benefits.

Q: How do I enroll?

A: Fill out the enclosed enrollment form and give it to your benefits representative at work.
