

Finding a Network Vision Provider

We're proud to work with EyeMed® Vision Care as the network provider for Delta Dental members who are enrolled in either a DeltaVision® plan or in Delta Dental's vision discount program.

The EyeMed Access and Select networks supporting our members are among the nation's largest provider networks, featuring popular retail chains like LensCrafters®, Pearle Vision®, JCPenney Optical®, Sears Optical®, Target Optical®, Shopko Optical® Centers, and others. There are many small independent doctors included as well.
