

Online Services for Employers

Conveniently manage your employees' benefits.

secure services for employers:

- Access employee eligibility lists
- Review and edit employee or dependent information
- Add or delete enrollees in dental and/or vision plans
- View and print invoices
- Manage user access to your group's secure account - add new users or edit existing user permissions
- Access group documents - enrollment maintenance logs, group contracts, handbooks, and Form 5500 information
- Search for dental coverage levels by procedure codes
- Learn simple ways of improving employee wellness
- ID cards

questions?

Call **888-324-8600** to speak with a member of our enrollment team.

register in a few simple steps:

1. Visit www.deltadentalwi.com/employer/registration. Complete and submit the registration form.
2. Receive an authorization email from Delta Dental within 48 hours, providing you access to the site.
3. Explore all the Employer Connection has to offer.

additional online tools:

Our website, www.deltadentalwi.com, also provides your employees with a secure portal - Member Connection - where they have access to their benefit and claim information, oral health risk assessment, cost estimation tools, provider search tool, and the latest oral health information.
